## **Membership Renewal Request**

As you know RAGLM depends on its members to help build a financial backing that will allow us to have a stronger voice with the county, as it plans and develops Riverside county. The more money we have in our account, the more seriously the county will take us when we speak to them about their agreement to keep this area of the county as the rural area, meant for animal keeping, agriculture and residential rural living lifestyles. Our years of service to the community (since Feb. 2001) and our bank account give us political clout.

We hope you will continue to support us with your \$20.00 per year membership. The board is always available to its members and willing to help where and how it can. We will line up speakers you wish to hear from or speak with and we will continue to speak on behalf of our membership at county hearings. We hope we can count on you to send us a check today. Please mail your check to the address listed above.

Please cut along line and mail to the address above
